will be arrived from 1st of February !  
Here are just a bit of our new works  
that interest you !

sen

Released in February

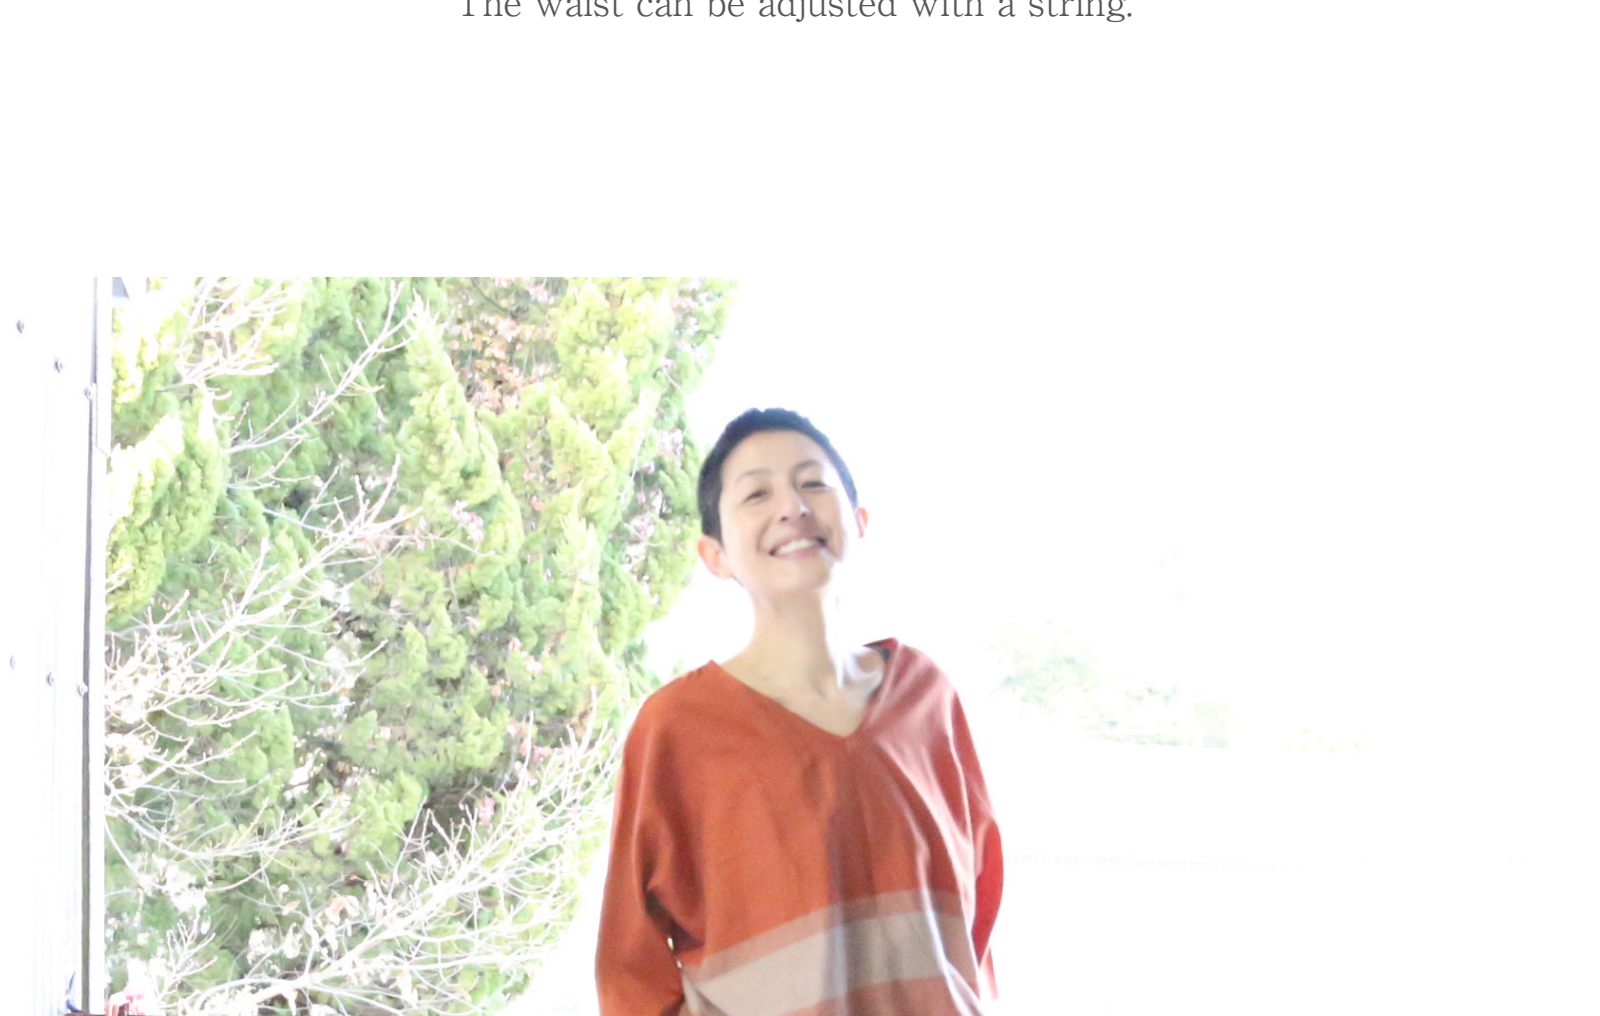

A wide pants have pockets.  
The silhouette has also renewed a little.

kaburipu

Released in February

tamaki niime's pullover sweatshirt.  
You can find your own sweatshirt,  
such as some works with flashy fleece.

bonns

Released in May

Pants with a large silhouette that was unlikely until now.  
The waist can be adjusted with a string.

fuwa-T HALF 0

Released in February

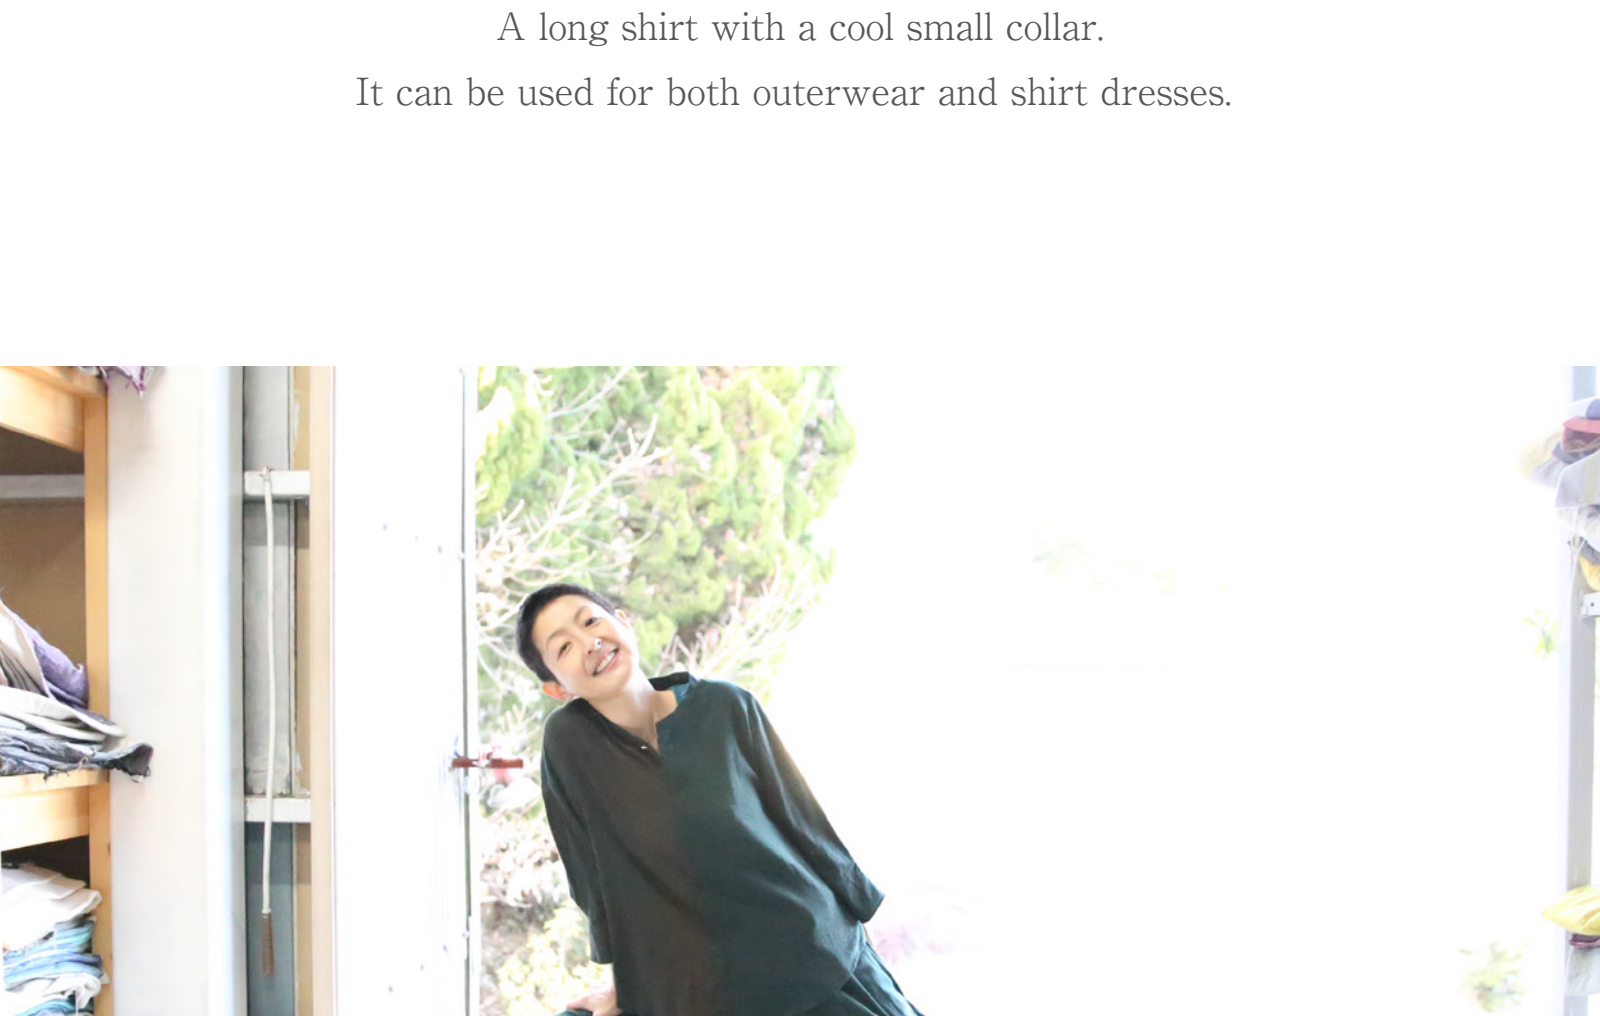

fuwa-T HALF 0 will be arrived after fuwa-T ALL 0 !

boso

Released in February

A new pattern comes out every year.  
There will be this and that patterns in this year..

hibi

Released in February

A long shirt with a cool small collar.  
It can be used for both outerwear and shirt dresses.

flat

Released in March

A shirt that fits the bottoms of tamaki niime.  
Give the sleeves plenty of space.

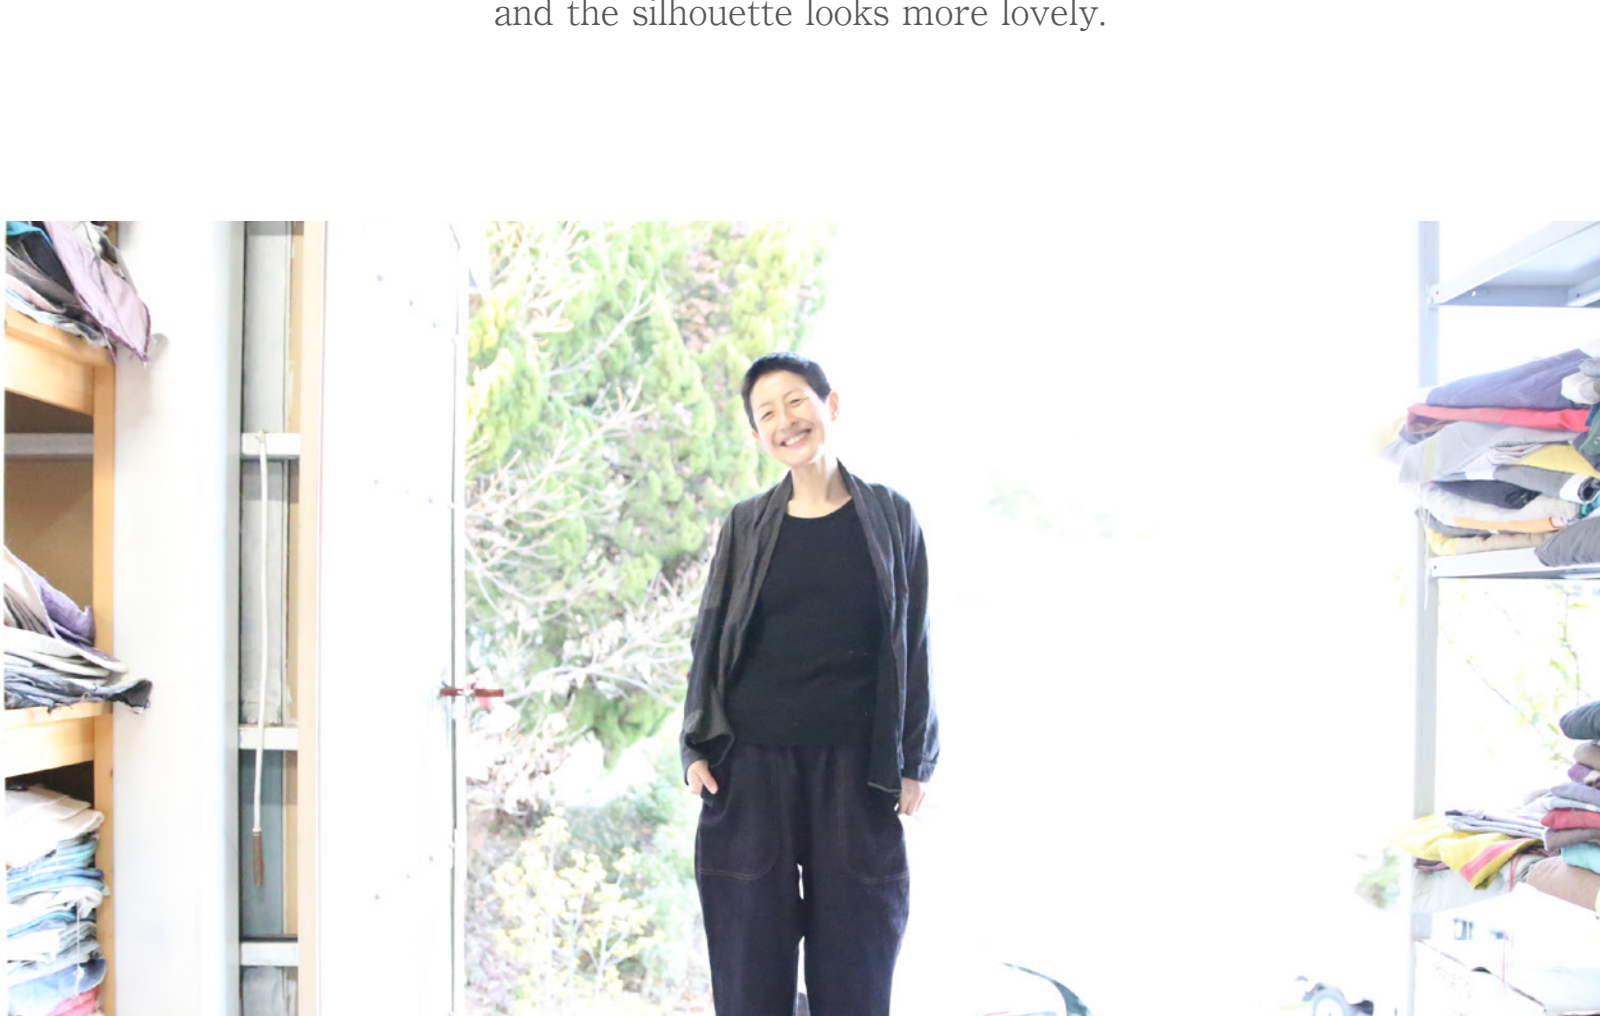

A stand-up collar shirt with a neat silhouette.

fuwari

Released in February

A soft and comfortable dress.  
You can wear it softly with an asymmetrical design.

coron

Released in March

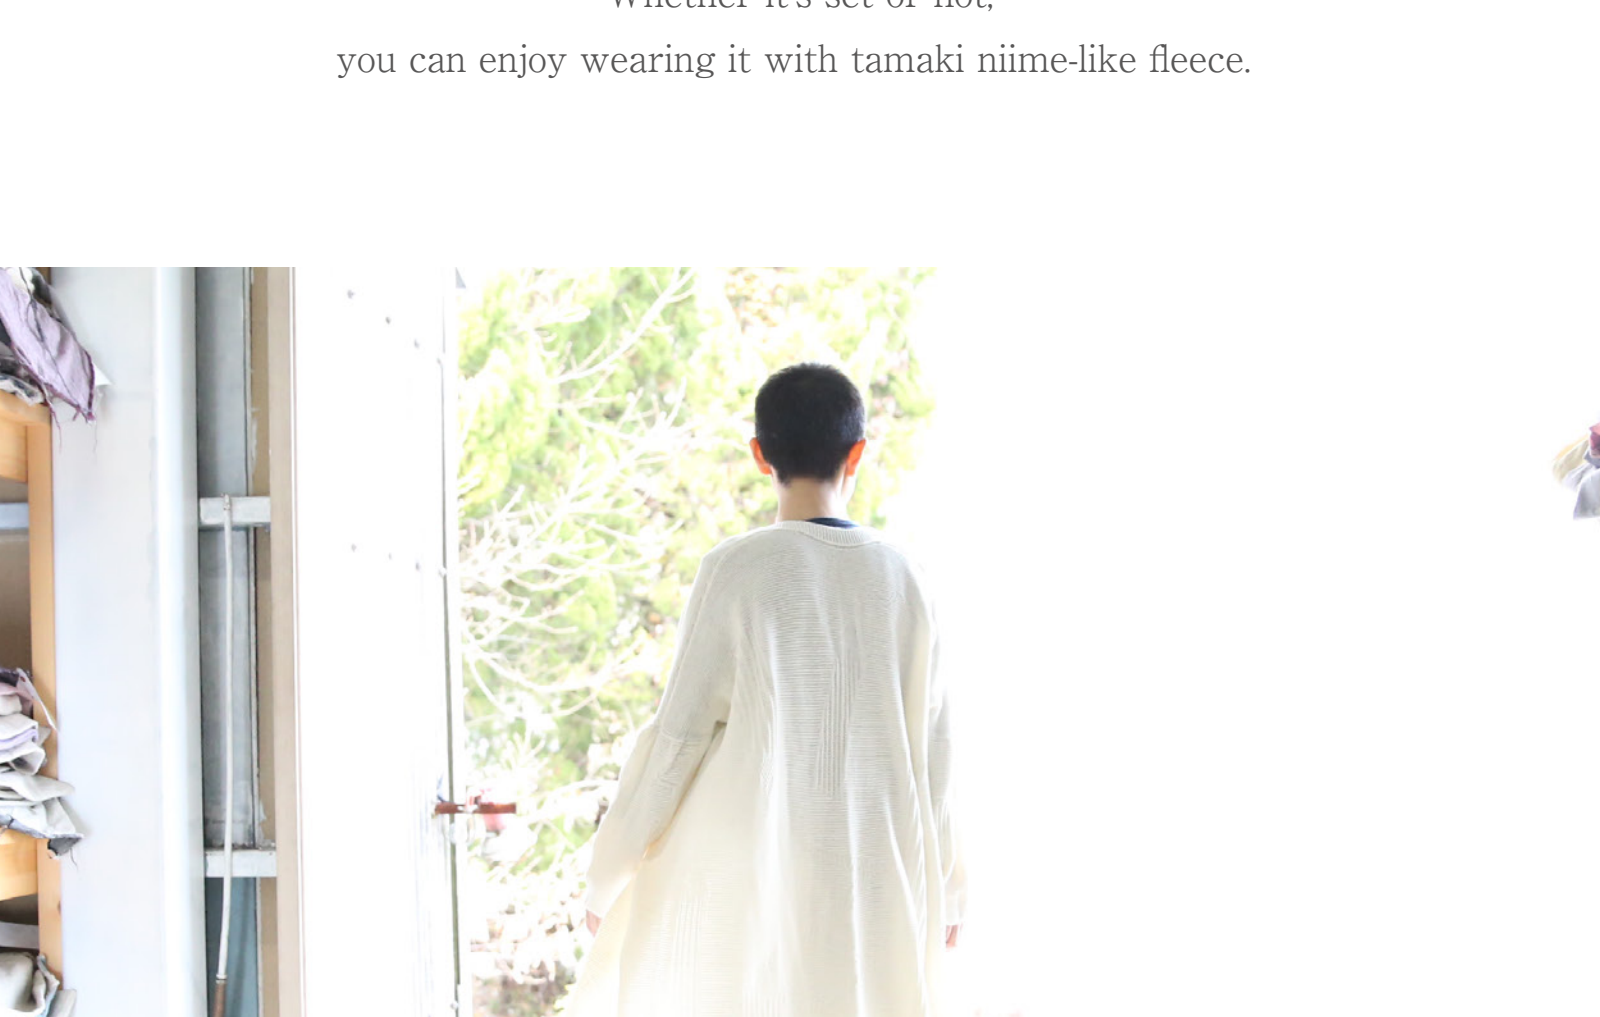

coron which was limited quantities last year.  
The length is longer, the fabric has been improved,  
and the silhouette looks more lovely.

marupo

Released in January

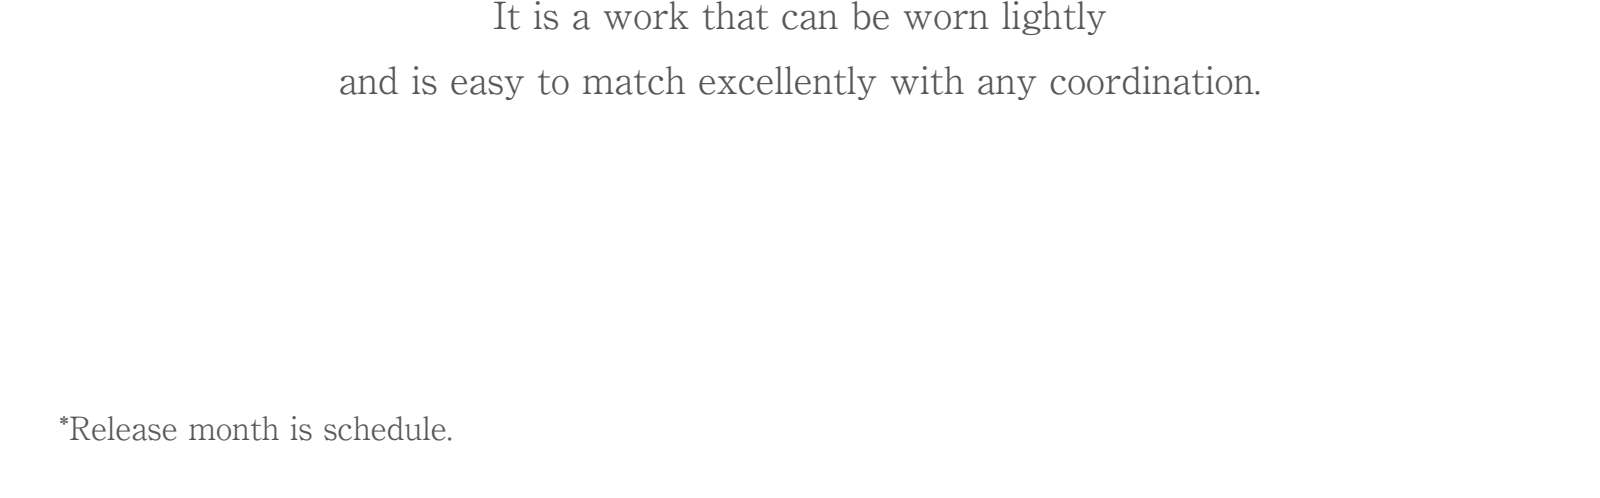

A straight wide denim with a large round pocket on the back.  
A simple and easy-to-use denim.

kaburibo, poyon

Released in February

We created hoodies and pants using fleece sweat fabric.  
Whether it's set or not,  
you can enjoy wearing it with tamaki niime-like fleece.

CA knit enpitsu

Released in February

Long-awaited a long cardigan is here !  
It is a work that can be worn lightly  
and is easy to match excellently with any coordination.
